How to register for a sale

We will request identification documents from you for KYC requirements

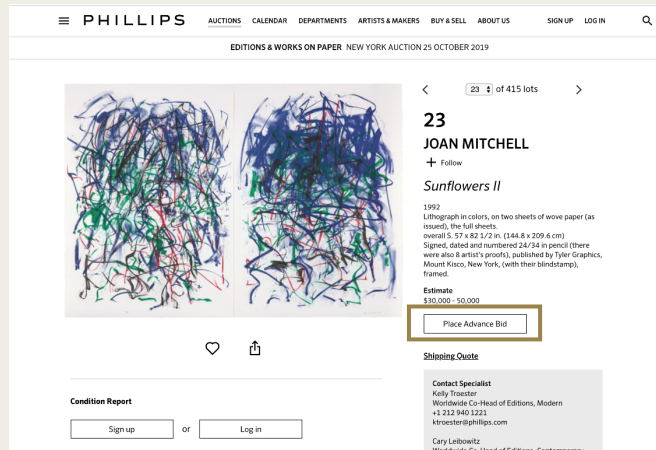

If we have any questions, a member of our Bids team will contact you

1

GO TO LOT PAGE

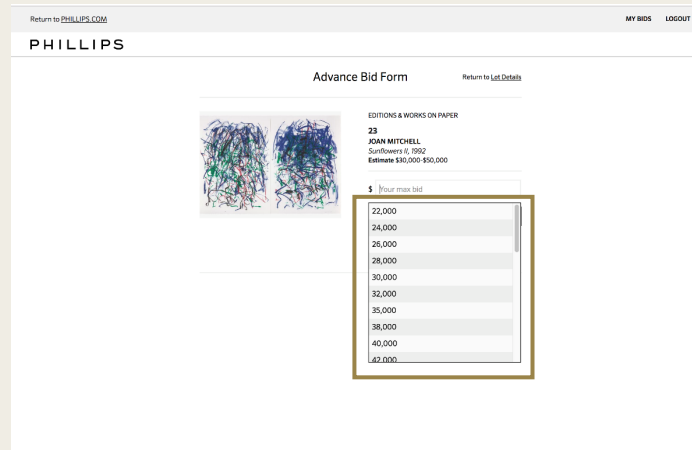

- Advance bids are maximum bids which are executed on your behalf by the auctioneer and online clerk in a similar way to traditional absentee bids
- Click on 'Place Advance Bid' on the lot detail page
- You will be prompted to login or create an account if you are not already logged into your account

2

PLACE YOUR BID

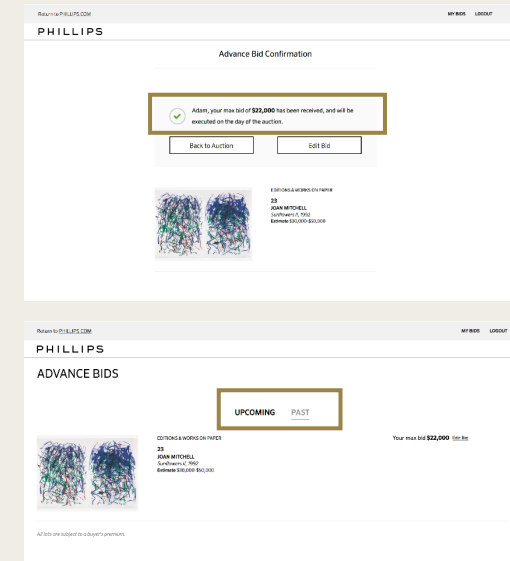

- The minimum advance bid is typically 70% of the low estimate
- Bids must follow standard increments suggested on the screen
- Advance bids can be modified or removed

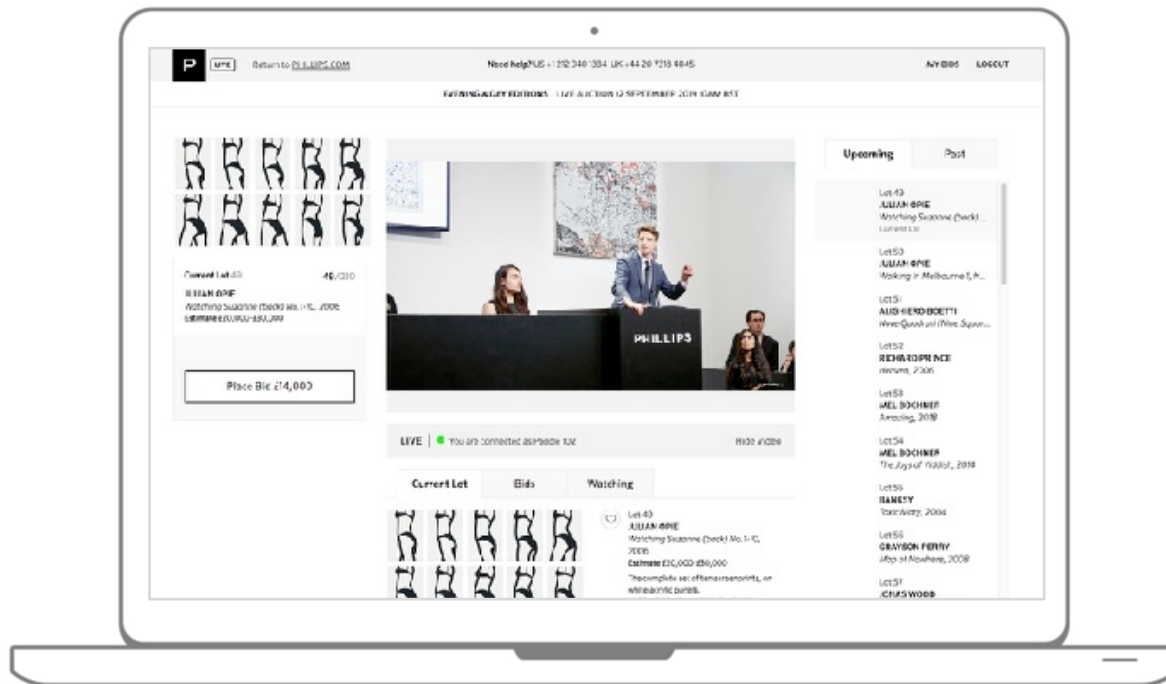

3

RECEIVE CONFIRMATION

- You will receive an email confirming your advance bid
- All open and past advance bids can be seen in 'My Bids'
- If the maximum amount of your advance bid is exceeded, you may then join the bidding live online

You must be logged into your account to bid live in our sales

Bids must be placed at the next suggested increment shown on the “place bid” button

Bids are relayed to the auctioneer via a screen in the saleroom

Push notifications are sent for lots you select as your favorites

Phillips is the only major auction house with real time video and bidding on a mobile app
