

Hong Kong Conditions of Sale

The Conditions of Sale and Authorship Warranty set out below govern the relationship between (i) bidders and buyers, and (ii) Phillips Auctioneers Limited registered in Hong Kong under number 1603703 (“Phillips”) and Poly Auctions Hong Kong Limited registered in Hong Kong under number 1817961 (“Poly”) (together and/or separately “we”, “our”, “us”) and (iii) sellers. All prospective buyers should read these Conditions of Sale, the Important Notices immediately following the Guide for Prospective Buyers and the Authorship Warranty carefully before bidding.

1 Introduction

Each lot in this catalogue is offered for sale and sold subject to: (a) the Conditions of Sale and Authorship Warranty; (b) additional notices and terms in other places in this catalogue, including the Guide for Prospective Buyers and Important Notices (c) supplements to this catalogue including information accessed via QR Codes appearing in this catalogue, and (d) other written material posted by Phillips and Poly in the saleroom, in each case as amended by any addendum or announcement by the auctioneer prior to the auction.

By bidding at the auction, whether in person, through an agent, by written bid, by telephone bid or other means, bidders and buyers agree to be bound by these Conditions of Sale, as so changed or supplemented, and Authorship Warranty.

These Conditions of Sale, as so changed or supplemented, and Authorship Warranty contain all the terms on which Phillips, Poly and the seller contract with the buyer.

2 Phillips or Poly as Agent

Phillips or Poly (as the case may be) act as agent for the sellers of Lots in the auction, unless otherwise indicated in this catalogue or at the time of auction. Phillips acts as agent for sellers who have consigned their Lots to Phillips for inclusion in the auction. Poly acts as agent for sellers who have consigned their Lots to Poly for inclusion in the auction.

Buyers of Lots consigned to Phillips will enter into a contract of sale with the seller of the Lot, for whom Phillips acts as agent. Buyers of Lots consigned to Poly will enter into a contract of sale with the seller of the Lot, for whom Poly acts as agent.

On occasion, Phillips or Poly may own a lot directly, in which case they will act in a principal capacity as a consignor, or a company affiliated with Phillips or Poly (as the case may be) may own a lot, in which case they will act as agent for that company, or Phillips or Poly or an affiliated company (as the case may be) may have a legal, beneficial or financial interest in a lot as a secured creditor or otherwise.

3 Catalogue Descriptions and Condition of Property

Lots are sold subject to the Authorship Warranty, as described in the catalogue (unless such description is changed or supplemented, as provided in Paragraph 1 above) and in the condition that they are in at the time of the sale on the following basis.

(a) The knowledge of Phillips or Poly in relation to each lot is partially dependent on information provided to us by the seller, and Phillips and Poly are not able to and do not carry out exhaustive due diligence on each lot. Prospective buyers acknowledge this fact and accept responsibility for carrying out inspections and investigations to satisfy themselves as to the lots in which they may be interested. Notwithstanding the foregoing, we shall exercise such reasonable care when making express statements in catalogue descriptions or condition reports (including those accessed via QR Codes appearing in this catalogue) as is consistent with our role as auctioneer of lots in this sale and in light of (i) the information provided to us by the seller, (ii) scholarship and technical knowledge and (iii) the generally accepted opinions of relevant experts, in each case at the time any such express statement is made.

(b) Each lot offered for sale is available for inspection by prospective buyers prior to the auction. We accept bids on lots on the basis that bidders (and independent experts on their behalf, to the extent appropriate given the nature and value of the lot and the bidder's own expertise) have fully inspected the lot prior to bidding and have satisfied themselves as to both the condition of the lot and the accuracy of its description.

(c) Prospective buyers acknowledge that many lots are of an age and type which means that they are not in perfect condition. As a courtesy to clients, we may prepare and provide condition reports to assist prospective buyers when they are inspecting lots. Catalogue descriptions and condition reports (including those accessed via QR Codes appearing in this catalogue) may make reference to particular imperfections of a lot, but bidders should note that lots may have other faults not expressly referred to in the catalogue or condition report. All dimensions are approximate. Illustrations are for identification purposes only and cannot be used as precise indications of size or to convey full information as to the actual condition of lots.

(d) Information provided to prospective buyers in respect of any lot, including any pre-sale estimate, whether written or oral, and information in any catalogue, condition or other report (including information accessed via QR Codes appearing in this catalogue), commentary or valuation, is not a representation of fact but rather a statement of opinion held by us. Any pre-sale estimate may not be relied on as a prediction of the selling price or value of the lot and may be revised from time to time by us at our absolute discretion. Neither Phillips, Poly nor any of our respective affiliated companies shall be liable for any difference between the pre-sale estimates for any lot and the actual price achieved at auction or upon resale.

4 Bidding at Auction

(a) We have absolute discretion to refuse admission to the auction or participation in the sale. All bidders must register for a paddle prior to bidding, supplying such information and references as we require. Bidders may register either with Phillips or Poly.

(b) As a convenience to bidders who cannot attend the auction in person, we may, if so instructed by the bidder, execute written absentee bids on a bidder's behalf. Absentee bidders are required to submit bids on the ‘Absentee Bid Form’, a copy of which is printed in this catalogue or otherwise available from Phillips or Poly. Bids must be placed in the currency of the sale. The bidder must clearly indicate the maximum amount he or she intends to bid, excluding the buyer's premium. The auctioneer will not accept an instruction to execute an absentee bid which does not indicate such maximum bid. Our staff will attempt to execute an absentee bid at the lowest possible price taking into account the reserve and other bidders. Any absentee bid must be received at least 24 hours in advance of the sale. In the event of identical bids, the earliest bid received will take precedence.

(c) Telephone bidders are required to submit bids on the ‘Telephone Bid Form’, a copy of which is printed in this catalogue or otherwise available from Phillips or Poly. Telephone bidding is available for lots whose low pre-sale estimate is at least HK\$8,000. We reserve the right to require written confirmation of a successful bid from a telephone bidder by fax or otherwise immediately after such bid is accepted by the auctioneer. Telephone bids may be recorded and, by bidding on the telephone, a bidder consents to the recording of the conversation.

(d) Bidders may participate in an auction by bidding online through Phillips's online live bidding platform available at www.phillips.com or using the Poly bidding platform available on the Poly Hong Kong App or WeChat account. To bid online, bidders must register online at least 24 hours before the start of the auction. Online bidding is subject to approval by Phillips' or Poly's bid department in our sole discretion. As noted in Paragraph 3 above, we encourage online bidders to inspect prior to the auction any lot(s) on which they may bid, and condition reports are available upon request.

Phillips' Online Bidding Platforms

Bidding in a live auction can progress quickly. To ensure that online bidders are not placed at a disadvantage when bidding against bidders in the room or on the telephone, the procedure for placing bids through Phillips's online bidding platform is a one-step process. By clicking the bid button on the computer screen, a bidder submits a bid. Online bidders acknowledge and agree that bids so submitted are final and may not under any circumstances be amended or retracted. During a live auction, when bids other than online bids are placed, they will be displayed on the online bidder's computer screen as ‘floor’ bids. ‘Floor’ bids include bids made by the auctioneer to protect the reserve. In the event that an online bid and a ‘floor’ or ‘phone’ bid are identical, the ‘floor’ bid may take precedence at the auctioneer's discretion. The next bidding increment is shown for the convenience of online bidders in the bid button. The bidding increment available to online bidders may vary from the next bid actually taken by the auctioneer, as the auctioneer may deviate from Phillips's standard increments at any time at his or her discretion, but an online bidder may only place a bid in a whole bidding increment. Phillips' bidding increments are published in the Guide for Prospective Buyers.

(e) When making a bid, whether in person, by absentee bid, on the telephone or online, a bidder accepts personal liability to pay the purchase price, as described more fully in Paragraph 6 (a) below, plus all other applicable charges.

(f) By participating in the auction, whether in person, by absentee bid, on the telephone or online, each prospective buyer represents and warrants that any bids placed by such person, or on such person's behalf, are not the product of any collusive or other anti-competitive agreement and are otherwise consistent with federal, state or other antitrust law.

(g) Arranging absentee, telephone and online bids is a free service provided by Phillips and Poly to prospective buyers. While we undertake to exercise reasonable care in undertaking such activity, we cannot accept liability for failure to execute such bids except where such failure is caused by our willful misconduct.

5 Conduct of the Auction

(a) Unless otherwise indicated by the symbol *, each lot is offered subject to a reserve, which is the confidential minimum selling price agreed by Phillips or Poly (as the case may be) with the seller.

The reserve will not exceed the low pre-sale estimate at the time of the auction.

(b) The auctioneer has discretion at any time to refuse any bid, withdraw any lot, re-offer a lot for sale (including after the fall of the hammer) if he or she believes there may be error or dispute and take such other action as he or she deems reasonably appropriate. We shall have no liability whatsoever for any such action taken by the auctioneer. If any dispute arises after the sale, our sale record is conclusive. The auctioneer may accept bids made by a company affiliated with Phillips or Poly provided that the bidder does not know the reserve placed on the lot.

(c) The auctioneer will commence and advance the bidding at levels and in increments he or she considers appropriate. In order to protect the reserve on any lot, the auctioneer may place one or more bids on behalf of the seller up to the reserve without indicating he or she is doing so, either by placing consecutive bids or bids in response to other bidders. If a lot is offered without reserve, unless there are already competing absentee bids, the auctioneer will generally open the bidding at 50% of the lot's low pre-sale estimate. In the absence of a bid at that level, the auctioneer will proceed backwards at his or her discretion until a bid is recognized and will then advance the bidding from that amount. Absentee bids on no reserve lots will, in the absence of a higher bid, be executed at approximately 50% of the low pre-sale estimate or at the amount of the bid if it is less than 50% of the low pre-sale estimate. If there is no bid whatsoever on a no reserve lot, the auctioneer may deem such lot unsold.

(d) The sale will be conducted in Hong Kong dollars and payment is due in Hong Kong dollars. For the benefit of international clients, pre-sale estimates in the auction catalogue may be shown in US dollars and/or euros and, if so, will reflect approximate exchange rates. Accordingly, estimates in US dollars or euros should be treated only as a guide. If a currency converter is operated during the sale, it is done so as a courtesy to bidders, but we accept no responsibility for any errors in currency conversion calculation.

(e) Subject to the auctioneer's reasonable discretion, the highest bidder accepted by the auctioneer will be the buyer and the striking of the hammer marks the acceptance of the highest bid and the conclusion of a contract for sale between the seller and the buyer. Risk and responsibility for the lot passes to the buyer as set forth in Paragraph 7 below.

(f) If a lot is not sold, the auctioneer will announce that it has been 'passed', 'withdrawn', 'returned to owner' or 'bought-in'.

(g) Any post-auction sale of lots offered at auction shall incorporate these Conditions of Sale and Authorship Warranty as if sold in the auction.

6 Purchase Price and Payment

(a) The buyer agrees to pay us, in addition to the hammer price of the lot, the buyer's premium and any applicable sales tax (the 'Purchase Price'). The buyer's premium is 26% of the hammer price up to and including HK\$5,000,000, 21% of the portion of the hammer price above HK\$5,000,000 up to and including HK\$50,000,000 and 14.5% of the portion of the hammer price above HK\$50,000,000.

(b) Unless otherwise agreed, a buyer is required to pay for a purchased lot immediately following the auction regardless of any intention to obtain an export or import license or other permit for such lot. Payments must be made by the invoiced party. Payments must be made in Hong Kong dollars by wire transfer in accordance with the bank transfer details provided on the invoice for purchased lots, and in respect of Lot 22 only, payment may be made in Hong Kong dollars, Ether or Bitcoin subject to the following Special Payment Conditions.

Lot 22: Special Payment Conditions

Payment for this Lot may be made in one of the following currencies: Hong Kong Dollars, Ether or Bitcoin, subject to the following Special Payment Conditions.

(iii) The winning bidder provides Phillips with all information and documentation we request to verify their identity and to confirm that the Ether or Bitcoin payment was made from a digital wallet registered in their name and maintained on one of the platforms listed above.

Please note we will not accept:

- Payments from self-hosted wallets or from digital wallets hosted on other exchange platforms;
- Partial payments from multiple digital wallets or payments in multiple currencies.

If any of the above conditions are not met, the winning bidder must pay the total purchase price for the Lot in Hong Kong dollars.

If you satisfy the above special conditions and elect to pay the purchase price of the Lot in Ether or Bitcoin, you represent and warrant as follows:

- a) your bids in the Auction will not exceed the amount of Ether or Bitcoin you own;

Conversion and Payment

If you are the winning bidder, satisfy the above special conditions and elect to pay for the Lot in either Ether or Bitcoin, we will send you a Coinbase payment link. The amount due will be the Ether or Bitcoin equivalent of the Hong Kong dollar purchase price calculated by Coinbase at the time you make the payment and you will be responsible for any applicable network fees required to successfully conduct the transaction on the blockchain.

You acknowledge and agree that the price of Ether and Bitcoin, as with other cryptocurrencies, can be volatile and subject to upward and downward movements. If you are the winning bidder you agree to pay the Ether or Bitcoin equivalent of the total purchase price for the Lot, including any applicable taxes and fees by using the Coinbase payment link embedded in the invoice. Payment must be made within 24 hours of the date of Phillips' invoice for the purchase of the Lot.

Cancellation

Should the sale of the Lot be cancelled for any reason as described in the Conditions of Sale for the Auction, you understand and agree that any refund of the purchase price, will be paid to you in Hong Kong dollars as referenced on your invoice, even if you paid for the Lot in Ether or Bitcoin.

(b) Payment in Hong Kong dollars

If the winning bidder elects to pay the purchase price for the Lot and any applicable taxes and fees in Hong Kong dollars, or if the Special Payment Conditions for Lot 22 referenced above are not met, payments must be made in Hong Kong dollars using the payment methods described in this paragraph 6.

(c) As a courtesy to clients, we will accept American Express, Visa, MasterCard and China Union Pay to pay for invoices of HK\$1,000,000 or less per auction. China Union Pay is accepted for in-person transactions only.

(d) Title in a purchased lot will not pass until we have received the Purchase Price for that lot in cleared funds. We are not obliged to release a lot to the buyer until title in the lot has passed and appropriate identification has been provided, and any earlier release does not affect the passing of title or the buyer's unconditional obligation to pay the Purchase Price.

7 Collection of Property

(a) We will not release a lot to the buyer until we have received payment of its Purchase Price in full in cleared funds, the buyer has paid all outstanding amounts due to Phillips or Poly respectively or any of their affiliated companies, including any charges payable pursuant to Paragraph 8 (a) below, and the buyer has satisfied such other terms as we in our sole discretion shall require, including providing information and documentation we require to satisfy our customer due diligence and verification checks for Know Your Customer compliance purposes and completing any anti-money laundering, anti-terrorism financing and sanctions checks. As soon as a buyer has satisfied all of the above conditions, he or she should contact us Phillips +852 2318 2000 or Poly at +852 2303 9899 to arrange for collection of purchased property.

(b) The buyer must arrange for collection of a purchased lot within seven days of the date of the auction. After the auction, all lots will be stored externally, please call our shipping departments (Phillips on +852 2318 2000 or Poly on +852 2303 9899) prior to arranging collection. We will levy removal, interest, storage and handling charges on uncollected lots. Purchased lots are at the buyer's risk, including the responsibility for insurance, from (i) the date of collection or (ii) seven days after the auction, whichever is the earlier. Until risk passes, we will compensate the buyer for any loss or damage to a purchased lot up to a maximum of the Purchase Price paid, subject to our usual exclusions for loss or damage to property.

(c) As a courtesy to clients, we will, without charge, wrap purchased lots for hand carry only. We do not provide packing, handling, insurance or shipping services. We will coordinate with shipping agents instructed by the buyer, whether or not recommended by us, in order to facilitate the packing, handling, insurance and shipping of property bought at the auction. Any such instruction is entirely at the buyer's risk and responsibility, and we will not be liable for acts or omissions of third party packers or shippers. Property is collected by the buyer at the point it is released in the sale location by Phillips or Poly (as the case may be) to the buyer or to a third-party shipper acting for the buyer. The buyer is responsible for paying any import duties and local taxes payable to import the Property to its final destination.

(d) We will require presentation of government-issued identification prior to release of a lot to the buyer or the buyer's authorized representative.

8 Failure to Collect Purchases

(a) If the buyer pays the Purchase Price but fails to collect a purchased lot within 30 days of the auction, the buyer will incur a late collection fee of HK\$80 per day for each uncollected lot. We will not release purchased lots to the buyer until all such charges have been paid in full.

(b) If a purchased lot is paid for but not collected within six months of the auction, the buyer authorizes Phillips or Poly (as the case may be), upon notice, to arrange a resale of the item by auction or private sale, with estimates and a reserve set at Phillips' or Poly's reasonable discretion. The proceeds of such sale will be applied to pay for storage charges and any other outstanding costs and expenses owed by the buyer to Phillips or Poly (as the case may be) or their respective affiliated companies and the remainder will be forfeited unless collected by the buyer within two years of the original auction.

9 Remedies for Non-Payment

(a) Without prejudice to any rights the seller may have, if the buyer without prior agreement fails to make payment of the Purchase Price for a lot in cleared funds within seven days of the auction, we may in our sole discretion exercise one or more of the following remedies: (i) store the lot at our premises or elsewhere at the buyer's sole risk and expense; (ii) cancel the sale of the lot, retaining any partial payment of the Purchase Price as liquidated damages; (iii) reject future bids from the buyer or render such bids subject to payment of a deposit; (iv) charge interest at 12% per annum from the date payment became due until the date the Purchase Price is received in cleared funds; (v) subject to notification of the buyer, exercise a lien over any of the buyer's property which is in the possession of Phillips or Poly (as the case may be) and instruct our affiliated companies to exercise a lien over any of the buyer's property which is in their possession and, in each case, no earlier than 30 days from the date of such notice arrange the sale of such property and apply the proceeds to the amount owed to Phillips or Poly (as the case may be) or any of their respective affiliated companies after the deduction from sale proceeds of our standard vendor's commission, all sale-related expenses and any applicable taxes thereon; (vi) resell the lot by auction or private sale, with estimates and a reserve set at our reasonable discretion, it being understood that in the event such resale is for less than the original hammer price and buyer's premium for that lot, the buyer will remain liable for the shortfall together with all costs incurred in such resale; (vii) commence legal proceedings to recover the hammer price and buyer's premium for that lot, together with interest and the costs of such proceedings; (viii) set off the outstanding amount remaining unpaid by the buyer against any amounts which we or any of our affiliated companies may owe the buyer in any other transactions; (ix) release the name and address of the buyer to the seller to enable the seller to commence legal proceedings to recover the amounts due and legal costs; or (x) take such other action as we deem necessary or appropriate.

(b) The buyer irrevocably authorizes Phillips or Poly (as the case may be) to exercise a lien over the buyer's property which is in their possession upon notification by any affiliated companies or Phillips or Poly that the buyer is in default of payment. We will notify the buyer of any such lien. The buyer also irrevocably authorizes Phillips or Poly (as the case may be), upon notification by any of their respective affiliated companies that the buyer is in default of payment, to pledge the buyer's property in the possession of Phillips or Poly (as the case may be), by actual or constructive delivery to Phillips or Poly's respective affiliated companies as security for the payment of any outstanding amount due.

We will notify the buyer if the buyer's property has been delivered to an affiliated company by way of pledge.

(c) If the buyer is in default of payment, the buyer irrevocably authorizes Phillips or Poly (as the case may be), to instruct any of their affiliated companies in possession of the buyer's property to deliver the property by way of pledge as the buyer's agent to a third party instructed by Phillips or Poly (as the case may be), to hold the property on our behalf as security for the payment of the Purchase Price and any other amount due and, no earlier than 30 days from the date of written notice to the buyer, to sell the property in such manner and for such consideration as can reasonably be obtained on a forced sale basis and to apply the proceeds to any amount owed to us or any of affiliated companies of Phillips or Poly (as the case may be), after the deduction from sale proceeds of our standard vendor's commission, all sale-related expenses and any applicable taxes thereon.

10 Rescission

We shall have the right, but not the obligation, to rescind a sale without notice to the buyer if we reasonably believe that there is a material breach of the seller's representations and warranties or the Authorship Warranty or an adverse claim is made by a third party. Upon notice of our election to rescind the sale, the buyer will promptly return the lot to us, and we will then refund the Purchase Price paid to us. As described more fully in Paragraph 14 below, the refund shall constitute the sole remedy and recourse of the buyer against us and the seller with respect to such rescinded sale.

11 Export, Import And Endangered Species Licences and Permits

Before bidding for any property, prospective buyers are advised to make their own enquiries as to whether a licence is required to export a lot from Hong Kong or to import it into another country. Prospective buyers are advised that some countries prohibit the import of property made of or incorporating plant or animal material, such as coral, crocodile, ivory, whalebone, Brazilian rosewood, rhinoceros horn or tortoiseshell, irrespective of age, percentage or value. Accordingly, prior to bidding, prospective buyers considering export of purchased lots should familiarize themselves with relevant export and import regulations of the countries concerned. Please note that the US prohibits the importation of any item containing African elephant ivory. Asian elephant ivory may be imported in to the US only if accompanied by independent scientific analysis of continent of origin and confirmation the object is more than 100 years old.

With regard to any item containing endangered species other than elephant ivory, an importer into the US must provide documented evidence of the species identification and age of an object in order to demonstrate that the item qualifies as an antique. This will require the buyer to obtain an independent appraisal certifying the species of endangered material on the object and certifying that the object is not less than 100 years of age. A prospective buyer planning to import an object containing endangered species into the US may not rely on our cataloguing to establish the species of endangered material on the object or to establish the age of the object and must consult with a qualified independent appraiser prior to placing a bid on the lot.

It is solely the buyer's responsibility to comply with these laws and to obtain any necessary export, import and endangered species licences or permits. Failure to obtain a licence or permit or delay in so doing will not justify the cancellation of the sale or any delay in making full payment for the lot. As a courtesy to clients, we have marked in the catalogue lots containing potentially regulated plant or animal material, but we do not accept liability for errors or for failing to mark lots containing protected or regulated species.

12 US Imports Customs Tariffs

Buyers intending to import property into the United States of America should note that US Customs may charge an additional import duty upon the importation of (i) products manufactured or created in mainland China and (ii) printed materials (including photographs, prints, lithographs, books and designs) printed in the UK or Germany.

We will mark with a symbol lots which may be subject to additional US import tariffs, where this is known to us. Please note, however, that any such markings are done by us only as a convenience to bidders. We do not accept liability for errors including failing to mark lots accurately or for the absence of any marking.

Export, Import, Sales and/or Use Taxes

Buyers should note that they are responsible for all charges, duties and taxes related to the exportation and importation of lots shipped by them or shipped on their behalf, including any applicable Sales and/or Use Taxes which may be due on importing the property to the United States.

Please contact the department organising the auction for further details.

(d) Should any provision of these Conditions of Sale be held void, invalid or unenforceable for any reason, the remaining provisions shall remain in full force and effect. No failure by any party to exercise, nor any delay in exercising, any right or remedy under these Conditions of Sale shall act as a waiver or release thereof in whole or in part.

(e) If there is any inconsistency or conflict between the English text of the Conditions of Sale, Guide for Prospective Buyers and/or Important Notices and their Chinese translations, the English text will prevail.

17 Law and Jurisdiction

(a) The rights and obligations of the parties with respect to these Conditions of Sale and Authorship Warranty, the conduct of the auction and any matters related to any of the foregoing shall be governed by and interpreted in accordance with Hong Kong law.

(b) For the benefit of Phillips and Poly, all bidders and sellers agree that the courts of Hong Kong are to have exclusive jurisdiction to settle all disputes arising in connection with all aspects of all matters or transactions to which these Conditions of Sale and Authorship Warranty relate or apply. All parties agree that Phillips and Poly shall retain the right to bring proceedings in any court other than the courts of Hong Kong.

(c) All bidders and sellers irrevocably consent to service of process or any other documents in connection with proceedings in any court by facsimile transmission, personal service, delivery by mail or in any other manner permitted by Hong Kong law, the law of the place of service or the law of the jurisdiction where proceedings are instituted at the last address of the bidder or seller known to Phillips or Poly.

Authorship Warranty

We warrant the authorship of property in this auction catalogue described in headings in BOLD or CAPITALIZED type for a period of five years from the date of sale, subject to the exclusions and limitations set forth in this Authorship Warranty, in paragraph 14 of the Condition of Sale and in the Important Notices set out in this catalogue immediately following the Guide for Prospective Buyers. If the Lot was consigned by Poly to the auction, this Authorship Warranty is provided by Poly and if the Lot was consigned by Phillips to the auction, this Authorship Warranty is provided by Phillips.

(a) We give this Authorship Warranty only to the original buyer of record (i.e., the registered successful bidder) of any lot. This Authorship Warranty does not extend to (i) subsequent owners of the property, including purchasers or recipients by way of gift from the original buyer, heirs, successors, beneficiaries and assigns; (ii) property where the description in the catalogue (including descriptions accessed via QR Codes appearing in this catalogue) states that there is a conflict of opinion on the authorship of the property; (iii) property where our attribution of authorship was on the date of sale consistent with the generally accepted opinions of specialists, scholars or other experts; (iv) property whose description or dating is proved inaccurate by means of scientific methods or tests not generally accepted for use at the time of the publication of the catalogue or which were at such time deemed unreasonably expensive or impractical to use or likely in our reasonable opinion to have caused damage or loss in value to the lot; or (v) property where there has been no material loss in value from the value of the lot had it been as described in the heading of the catalogue entry.

(b) In any claim for breach of the Authorship Warranty, we reserves the right, as a condition to rescinding any sale under this warranty, to require the buyer to provide to us at the buyer's expense the written opinions of two recognized experts approved in advance by us. We shall not be bound by any expert report produced by the buyer and reserve the right to consult our own experts at our expense. If we agree to rescind a sale under the Authorship Warranty, we shall refund to the buyer the reasonable costs charged by the experts commissioned by the buyer and approved in advance by us.

(c) Subject to the exclusions set forth in subparagraph (a) above, the buyer may bring a claim for breach of the Authorship Warranty provided that (i) he or she has notified us in writing within three months of receiving any information which causes the buyer to question the authorship of the lot, specifying the auction in which the property was included, the lot number in the auction catalogue and the reasons why the authorship of the lot is being questioned and (ii) the buyer returns the lot to us in Hong Kong in the same condition as at the time of its auction and is able to transfer good and marketable title in the lot free from any third party claim arising after the date of the auction. We have discretion to waive any of the foregoing requirements set forth in this subparagraph (c) or subparagraph (b) above.

(d) The buyer understands and agrees that the exclusive remedy for any breach of the Authorship Warranty shall be rescission of the sale and refund of the original Purchase Price paid. This remedy shall constitute the sole remedy and recourse of the buyer against Phillips, Poly any of their respective affiliated companies and the seller and is in lieu of any other remedy available as a matter of law or equity. This means that none of Phillips, Poly or any of their affiliated companies or the seller shall be liable for loss or damage beyond the remedy expressly provided in this Authorship Warranty, whether such loss or damage is characterized as direct, indirect, special, incidental or consequential, or for the payment of interest on the original Purchase Price.
